Return Policy

General return rights on products marketed by C2 Vertical Safety do not apply, but must be made in agreement with C2.

Right of return does not apply to:

- Products with reduced prices
- Outgoing products
- Ordering goods (for example, custom-made shoes)
- Mounted kit

Compensation for shipping cost:

Shipping costs are only reimbursed in cases where the reason for the return has a background in a fault from C2 Vertical Safety. For example, we will replace shipping costs for faulty picks or delivery of products.

Contact us and we will send you a return ticket which you can use for the return.

Complaints and repairs

C2 Vertical Safety strives to provide our customers with the best customer care, which is to handle complaints in a quick and easy way. C2 has chosen to handle complaints using a web-based system.

Note that C2 never approves a complaint in advance, if you choose to replace the customer before C2 has approved the complaint, it's your risk.

C2 prioritises the complaints that are registered in our system. In the event that the complaint is not approved, shipping will be charged in cases where the complaint is NOT registered in our system.

How to complaint a product:

Visit www.c2safety.com, click on "Reklamation". Fill in the form.

Print the delivery note, keep a copy and send a copy with the product to:
